

S.T.A.R.

STUDENTS TOGETHER ACHIEVING REVITALIZATION

VOLUNTEER FORM

Together with students from The University of Texas at San Antonio, the City of San Antonio's **Office of Historic Preservation** is coordinating a 4-day service project called **S.T.A.R. (Students Together Achieving Revitalization)** that will assist homeowners in the **Dignowity Hill Historic District**. Students will volunteer their time during the weekends of **March 29-30 and April 5-6, 2014**, to perform minor exterior repairs and maintenance to windows, siding, and porches as well as general exterior yard maintenance and exterior painting to homeowners in need.

In order to make this project successful in teaching students valuable hands-on techniques and assisting homeowners in revitalizing their homes, we rely on volunteers to assist us in making this event possible.

Fill out the form below to **become a STAR volunteer** today! All volunteers will receive an event t-shirt.
